Newsletter

Lt. Sri Krishna Ch. Paul
President, GB, SSM
(02.07.2016 - 18.09.2019)

No body loved or lived life more than he did, he was wild-eyed, farsighted and willing to try everything that was beneficial for this College. We mourn the loss of Sri Krishna Chandra Paul, the fourth president of Governing Body of our college. Who left us on last 18th September, 2019. He had taken over the charge of this College Governing Body at an utterly crucial time. And in his years here, he quadrupled all the endowments, sought to maintain high academic standards for the College, he inspired the staff and students come together as a community and build on their strengths. And the result was a strategic plan for growth, a financial model to stabilize asset, support new initiatives and an expansion of academic programmes. This tenure was more than successful despite his rocky start.

This College respected him for his leadership ability, his capabilities, his cordial and jovial nature and most importantly for his deep concern for this institution. Even the last few months of illness could not keep him away from the institution either physically or mentally.

As we look to the future, our issues still will be performance, quality, access and perseverance. We hope to honour his many accomplishments and exceptional legacy.

A Few Words From The Editorial Team

18th September, 2019 was the day when the previous number (Vol.2 Issue 2, 2019) of Collegium was published on the occasion of the College Foundation Day, and it was on the same day that SSM Family was awakened to the unpleasant news of the sad demise of our President, GB Sri Krishna Chandra Paul.

It seems like the past few months have brought constant reminders that he is gone, but slowly we have started to pick up the pieces of our broken world and put them together in a way that starts to give new purpose and meaning again to our activities.

Moving past death is essential for success, the success which was his dream and our dream too. Collegium is one of those myriad efforts of this College which are done in silence, and let all achievements be our noise.

Hope we could do our best in our effort and bye for now from Team Collegium 2019. Our best wishes for the new team of 2020.
