Great behaviour

It's all over very good 🙌

Please ask the staff persons to be humble for students. We come from far of places to gain knowledge, give respect n earn respect. He are never helpful for any of us.

Nothing

I want the students who studied in SSM should get job after completing their particular courses/graduation from the college.

I also want to improve the behaviour of the non teaching staff/office staff of SSM.

Career counselling can be arranged by some benevolent personalities of college and they can further guide with their practical experiences of that particular field.

Students should be given the exposure to communicate in English in a practical way.
