NOTICE

Date: 17/09/2022

According to a government announcement published on September 8th, 2022, it was observed that a number of general and reserve seats remained vacant after the completion of the 11th Honors Merit list and the 8th Program course list due to a dearth of applicants for a few courses. As a result, we moved these people through an unique admissions process into the other groups, and vice versa (according to govt.rules). After taking this action, we observed that the following categories still lack seats.

SUBJECT	GEN	SC	ST	OBC-A	OBC-B
ECONOMICS	ALL Categories				
B.A Program Course	Candidates remain	Candidates remain	Candidates exhausted	Candidates exhausted	Candidates exhausted
B.Com Program Course	ALL Categories				
B.Sc Program Course	ALL Categories				

For new applicants, the admissions portal was reopened from September 12 to September 16, 2022. After the 16th of September, 2022 we noticed that the following categories' applicants had applied in various categories that we had previously reopened from September 12 to September 16, 2022.
