Advanced and Slow Learners, 2020-21

The pandemic situations made normal lifestyle unusual hence to cope up with the situation new normal methods has been adopted by many of us who are in academic field. Surya Sen Mahavidyalaya, Siliguri has always believed in the principle of "Education for All". A part of this college, the history department, keeping this policy in mind as well as the pandemic, arranged special online classes for students of both categories, i.e. advanced and slow learner groups, in the last 2020-21 academic year. Besides, study materials were also provided. Keeping in mind that a teacher is a friend, philosopher and guide, in this special situation, all the queries of the students were answered in the special online classes as well as over phone in some cases of students who needed suggestions from the teachers. Student's seminar in virtual mode were organised where individual students participated. Advanced learners showed their efficiency in Power Point Presentations and Slow learners tried their best to face audience from other Semester as well as tried to answer their questions.

Dept. of Sociology

The issue of advanced and slow learners is a matter of concern for the faculties of Department of Sociology. Faculties arranged special online classes both for the advanced and slow learners. Faculties provided study materials both for the advanced and slow learners. There was always an earnest effort from the part of faculties to give some additional references for the advanced learners. There is a very cordial teacher-student relation in our Department. We created WhatsApp groups both for the Honours and Program Course students so that we can keep in touch with the students. We also receive phone calls of the students so that we can help them.

List of advanced and slow learners for 1st semester students is given below.
