Report for several Observation Day

On behalf of Cultural Committee, Surya Sen Mahavidyalaya, we observed several Observation Day mainly on virtual Platform and blended mode strictly maintaining the Covid -19 protocol. Our students had participated in so many events organized by us, like Singing, Dancing, Recitation, Essay Writing, and online Quiz Competitions. In this Pandemic period, to release the mental stress of our students, teaching and non teaching staffs and to keep in touch with them we also organized several cultural programme apart from those Competitions. Active participation of all also encouraged us.

We observed 125th Birth Anniversary of Netaji Subhas Chandra Bose, 72nd Republic day of India and 75th Independence Day of India. In our all programme we preferred multilingual mode specially where students have equal opportunities to prove their talent.
