About IIGST

International Institute of Geospatial Science and Technology (IIGST), is a constituent unit of South Asian Institute for Advanced Research and Development (SAIARD), has been formed under IIGST with a motto to spread the arena of geospatial technology and its applications through education, research, training and capacity building, research, advocacy and innovative ideas through publication, various outreach programmes, collaborations and partnerships for sustainable and cognitive development of this region as well as to provide skill-based education to the students and make them employable and strengthening the hands of both public and private sectors by providing all-round supports in Southeast Asia. Since its formation SCAG was continuously engaged with lots of academic and capacity building programmes and now considering the growing importance of geospatial field IIGST has decided to transform this centre into an autonomous institution with a new updated version i.e. IIGST. As a key player in geospatial field, the academic platforms of IIGST are designed in such a way as that it can meet the requirements of working professionals, academicians, researchers, planners and decision makers.

About SSM

A NAAC accredited, ISO certified comprehensive institution, Surya Sen Mahavidyalaya offers active learning in a vibrant cordial atmosphere where students connect the classroom and their world. With a focus on undergraduate studies, on the auspicious day of September 15, 1998, the College had embarked on its official journey for conducting degree courses in Arts, Science and Commerce streams under the governance of the Organising Body. Being affiliated to the University of North Bengal, this institution started functioning in the Campus of Siliguri College till its new construction in Surya Sen Colony area became functional in July 2000. First floor of the main old building was donated by T.C. Mittal
