Event Name: National Level Workshop on Discipline Specific Elective Course

Objective: The objective of organizing a National Level Workshop on Discipline Specific Elective Course was to grow more interest with the topic and to enrich the knowledge with the recent practical applications along with theoretical knowledge provided by the resource persons. For the chemistry students it will help them to grow more interest in the subject and apart from the theoretical part a doorway will be opened to them through which they connect to the information regarding the practical field of chemistry which are leading the scientific world. The topics of the webinar also helps to connect people with field chemistry and its relation to daily life.

Event Summary: A very informative 'National-Level Webinar on Discipline Specific Elective (DSE) of UG Chemistry CBCS Syllabus' was organized by Department of Chemistry and IQAC, Surya Sen Mahavidyalaya in collaboration with Department of Chemistry and IQAC, Siliguri College and UG Board of Studies in Chemistry, University of North Bengal (NBU) on 28th August, 2020. The whole webinar was live streamed on YouTube and Google Meet. This webinar specially focused on the Discipline Specific Elective (DSE) course included in UG Chemistry CBCS syllabus. The webinar was inaugurated by the welcome address delivered by Dr. P. K. Mishra, Principal, Surya Sen Mahavidyalaya. Dr. Sujit Ghosh, Principal of Siliguri College, Dr. Nupur Das, and Secretary of UG Council (NBU) delivered their valuable speech. After the concept note delivered by Dr. Jhinuk Dasgupta, Associate Professor in Chemistry, Siliguri College, the technical session started. The whole webinar was comprised with two technical sessions which were enriched by the informative lectures of two resource persons – Dr. Achintesh Narayan Biswas, Assistant Professor, Dept. of Chemistry, NIT Sikkim and Dr. Amit Mallik, Assistant Professor, Dept. of Chemistry, Acharya Jagadish Chandra Bose College, Kolkata. These sessions were chaired by Prof. (Dr.) Anirban Mishra, HoD, Chemistry, NBU and Dr. Prabir Kr. Guha, Associate Professor, Dept. of Chemistry, Siliguri College respectively. Dr. Achintesh Narayan Biswas gave a brief idea about the DSE-I topic 'Analytical Methods in Chemistry' and Dr. Amit Mallik delivered his lecture on DSE-II topic 'Inorganic Materials of Industrial Importance'. After both the lecture session, interactive sessions were organized where participants directly placed their queries in front of the speakers. At the end of the session, 'Vote of Thanks' was proposed by Dr. Bablee Mandal, Assistant Professor, Department of Chemistry, Surya Sen Mahavidyalaya. The participants were teachers, students, laboratory staffs from various colleges, industrialists across the country and abroad. The webinar was quite interesting as well as helpful for everyone since the knowledge shared by two speakers with their well documented presentations were very much appropriate. With the smooth co-ordination between organizing committee, technical committee, supporting members and active participation of candidates with such informative lectures by hon'ble speakers made the programme a grand success.

Total numbers of candidates participated: 596
